

Dale Severson

Vice President—Special Asset Solutions

Dale Severson has over 25 years of experience in business with large corporations, small business and entrepreneurial ventures. He has applied this experience to his most recent work involving Court Appointed Receiverships, operational turnarounds, disposition strategies and diligently working to create the best resolutions for troubled assets.

His work as court appointed receiver has involved convenience stores, retail centers, office and industrial space, multi-family housing, medical clinics and operational businesses. His familiarity with the court process, delivering timely reporting and around protecting and preserving the asset(s) has been instrumental in the teams' success.

Prior to joining Coldwell Banker Commercial Griffin Companies, Dale began his career with The Pillsbury Company where he excelled in various positions achieving national responsibilities and accountability. Over 15 years of acquiring business skills, building effective trade relations, learning to leverage suppliers and maximize employee output were daily activities. He applied these skills to launch his first entrepreneurial venture in 1997 as Co-Founder and President. His experience includes sourcing and securing strategic partners for investment growth, mergers and acquisitions to achieve long term business objectives and leveraging supplier relations. Industries have included Retail Management through Convenience & Petroleum Stores, Automotive products, National Food Companies and legal services.

Mr. Severson holds an Undergraduate degree in Business Administration with emphasis in Management from Bemidji State University. He has been a member of the Board of Directors for Clean Shield USA, Inc., Fellowship of Christian Athletes (FCA), a member of Rotary International and actively involved in children's ministry at church along with many charitable organizations. He enjoys time with family and outdoor activities.
