

Wesley Johnson

Vice President & General Manager, Property Management

Wes Johnson is responsible for the directing, planning, budgeting, marketing and daily operations for CBC Griffin Companies' Property Management division. He also oversees the Maintenance department and Construction Advisory Services.

As General Manager for CBC Griffin Companies' Property Management, Wes Johnson supervises property managers, property administrators, accounting, maintenance and onsite staff members for all the properties in our portfolio. He is also responsible for customer relations.

Wes has more than 30 years of experience in management, sales, leasing, construction management and maintenance of properties. Wes has experience with Office, Retail, Industrial and Residential properties. He also has experience with managing as a receiver.

Mr. Johnson joined CBC Griffin Companies in 1991 as a Commercial District Manager. He was promoted to Vice President of Commercial Property Management in 1995. He is currently General Manager and Vice President of the property management division.

Wes has earned the Real Property Administrator (RPA) designation from the Building Owners and Managers Association (BOMA). He also holds a Minnesota Real Estate Brokers license and a Chief Grade C Engineer license.
